Sacred Heart Apostolic School

The Legionaries of Christ began Sacred Heart in 2005. It is a pre-seminary high school for young men who feel drawn to the possibility of the priestly life and vocation. Each student is formed to understand his identity as a Catholic man and to freely respond to God's plan for his life with the heart of an apostle.

Young men visiting Sacred Heart will be involved in all of the normal activities of the school. Your son will stay at the school, Your son will shadow a student for the weekend and know what it is like to become a Sacred Heart student!

The entire family is encouraged to come. It is a chance for you to enjoy morning Mass, meals, a guided tour, and interact with the students through various activities. Local accommodations are provided in this guide.
